Advertisers Take Notice!!!  
We desire to accommodate our advertisers as far as possible, but we have been delayed several times recently by having to change matter, which comes in at the last hour. We give notice to one and all, that we cannot change advertisements unless the copy is in the Advocate office by Tuesday morning. We cannot vary from this rule.

Miss Mamie Hill spent Saturday and Sunday in Ridge Spring.

Mrs. Jeter Mitchell, of Leesville, was in town shopping Monday.

Congressman Lever is in the promised land and that he wears the honor worthily, we haven't the least doubt.

FOR RENT—One one-horse farm, or a two-horse farm if preferred.

W. J. Padgett.

Mr. N. C. Nicholson, of the Salem section, was here on business Monday.

Mr. Nicholson is one of the leading young men of his section.

All persons indebted to me are earnestly requested to call and settle early as possible as I am needing money.

J. C. GLOVER.

Mr. Leslie Kernaghan, who holds a position in the Farmers and Mechanics Bank of Columbia, came down to eat some Batesburg turkey Thursday last.

Mr. J. B. Hartley is opening up a full line of merchandise in Perry Bros. old stand. That he will do his share of business, none doubt who know the man.

Mr. W. T. Tarrant, a leading merchant of Newberry, spent a couple of days in town last week. A most excellent gentleman of fine business ability. We are glad that he has invested in some of our dirt, which we hope will bring him a permanent citizen to us.

Mr. Capers Bates, "old Cape," as he is known by our people, was among us handsome and jolly as ever last week. Cape is one of our old boys, who has big place in our heart.

Mr. Clarence Burton, of McCall, came back among his friends of the days of "Auld Lang Syne" and to see his old ranging ground. No better hearted boy lives than this "Old But" and we were delighted to see him and regret that he could tarry no longer.

Mr. Beacham, of Clinton, has charge of the section which Mr. Goza formerly supervised. Mr. Beacham has formed many friends here among the "good ones" and he is one of the most ardent of them all.

In another column will be found the card of Dr. E. J. Etheredge, dentist, Leesville, S. C. Dr. Etheredge is one of the leading dentists of this section, and is a man of culture and refinement. His work is of high order. See his "ad."

What is our old friend David Ralv saying up so much land for? We had not heard of any change in his single bliss, but we are forced to believe the bees is buzzing in David's head. Well, Dave is as able to go into the afore-said business as any one in our town. Play on your harp "little David!"

Thanksgiving Day was generally observed by our people and many a "strutting" gobbler has gone to the happy land where all good turkeys go. We are very glad that all good turkeys go. It should be this way on every Thanksgiving Day. Some people want to continue in the same old rut that has been traveled to, these many years. Those who turned aside for a day's rest and recreation, were made to feel better in body and spirit. The Advocate crew enjoyed the day and are very glad that all seemed as well pleased as they.

Col. U. X. Gunter, of Columbia, South Carolina's next Attorney-General, spent Thanksgiving Day in the Ancestral home. **A "Hot" Oyster Supper.**  
The Oyster Supper given last Thursday by the Masons in their hall was well attended and a most enjoyable affair. Maj. Lunkin of Columbia was present and delivered an interesting lecture on masonry. After the lecture the Eastern Star degree was conferred upon several ladies and all masons present who had not taken this degree.

Maj. Lunkin urged the establishment of an orphan's home in this state for the orphans of masons, and said that the home could be purchased for \$7000. As there were 7500 masons in the state it would require but two years to raise this sum at an annual cost to each member of 50cts. per year or 4 1/2cts. per month.

"Something New Under the Sun"  
All Doctors have tried to cure CATARRH by the use of powders and gases, and others in paste form. Their powders dry up in the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely destroyed the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the diseased tissue. And old and experienced practitioners who have for many years made a close study and specialty of the treatment of Catarrh, has at last perfected a treatment which when intelligently used not only relieves at once, but permanently cures Catarrh, by removing the cause, stopping the discharges, and curing all inflammation. It is only a remedy known to science that actually reaches affected parts. This wonderful remedy is known as "SNUFFLES," the GUARANTEED CATARRH CURE, and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is wonderfully quick to relieve Hay FEVER or COLD IN THE HEAD.

CATARRH when neglected often leads to CONSUMPTION. "SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay, but send for at once, and write full particulars as to your condition, and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES."
